## Pharmacy Education at SVS Pharmacy and its Scope

**B. Pharmacy**

**M. Pharmacy : Pharmaceutics, Pharmaceutical Analysis, Pharmacology.**

Counselling Code :

**SVSP**

Pharmacy profession is the art and science of discovery/invention of molecules with medicinal value, preparation of suitable dosage forms for administration of drugs in man and animals and their quality control. The discipline of pharmacy has made enormous progress in production and research. It has attained independent status as pharmaceutical sciences encompassing all the stages in product development of a drug, from its discovery, identification, purity, development, action, safety, formulation, application, quality control, packaging, storage, marketing, stability studies etc. Thus, today's pharmaceutical professional is a drug expert in a true sense.

Pharmacy profession is a creative and challenging career. By choosing pharmacy as career, you can make all endeavours to create a healthy society. Numerous job opportunities are available in Community Pharmacy, Hospital Pharmacy, Clinical Services, Pharmaceutical Marketing, Research & Development, Pharmaceutical Industry, Pharmaceutical - Regulatory Affairs, Pharmacoinformatics and Academics.

The college is recognized by AICTE, PCI and is affiliated to JNTU - Hyderabad. It offers B. Pharmacy (Convener quota - 70, Management - 30) and M. Pharmacy courses in Pharmaceutics, Pharmaceutical Analysis and Pharmacology. In each M. Pharmacy course, Convener quota - 11, Management - 4 seats are available.
